Effective
FY 2025–26

Deployment
Cloud SaaS & On-Premise

Built for Pakistan Regulatory Compliance — Included in Every Plan

Softaxis ERP is engineered to meet Pakistan's tax and regulatory framework out of the box. No costly add-ons. No separate compliance modules.

- FBR Sales Tax 17% (GST)
- SRB Services Tax 13% (SST)
- FBR POS Integration
- WHT Section 153
- STRN on Invoices
- Cash Memo Register
- Annual Stock Return
- Provincial Movement Reports

Ready in 48 Hours

Cloud deployment with pre-configured Pakistan tax rates, chart of accounts, and FBR-compatible invoice templates.

Data Stays in Pakistan

Cloud servers hosted in Pakistan. On-premise option available for Business and Enterprise plans.

Urdu & English Support

Dedicated Urdu-speaking support team available Monday–Saturday, 9 AM–7 PM PKT.

Subscription Plans

Choose monthly, annual (save up to 17%), or a one-time perpetual license. All prices exclusive of applicable taxes.

Dedicated project manager
90-day hypercare support

Important Terms & Conditions

1. All prices are in Pakistani Rupees (PKR) and **exclusive of applicable taxes** (GST/SST). Federal or provincial tax will be charged separately as per prevailing rates.
2. **Annual plans** are billed in full upfront at the annual rate. Monthly plans are billed on the 1st of each month.
3. **One-Time License** grants perpetual use of the version purchased. The Annual Maintenance Contract (AMC) covers software updates, bug fixes, and support. AMC renewal is optional but recommended.
4. Annual subscriptions include a **17% discount** versus equivalent monthly billing over 12 months.
5. Pricing is subject to annual revision. Existing clients will receive 60 days' notice before any price change.
6. Free trial available for 14 days — no credit card required. Trial includes Business plan features.
7. **Refund policy:** Monthly subscriptions — cancel anytime, no refund for current period. Annual — pro-rata refund within first 30 days of billing.
8. On-premise deployment is available for Business and Enterprise plans at an additional server licensing fee (starting PKR 30,000 one-time).
